Candlelighters Chronicles

JUNE JOY!

Let's "Rock Out" At Camp Firefly

Camp Firefly is an extra special time for children battling cancer, survivors, and their siblings aged 9-17. It's a place where our kids can just be kids.

This year's "World Tour" will feature 104 kids, 66 volunteers, and 4 of our Candlelighters staff. The tour will kick off June 11th in Big Bear, California. We are ready to rock out!

Camp is offered free of charge to our campers. The entire cost of camp is provided by our generous donors and sponsors. Thank you to all who make this magical experience possible!

As the first and oldest organization solely focused on children diagnosed with childhood cancer and their families, Candlelighters has been a beacon of light for families in Southern Nevada for 45 years. Candlelighters is proud to serve approximately 400 families and 1,200 children, both siblings and diagnosed children, each year. In the last decade alone, it has provided nearly \$13 million in financial assistance, emotional support, and quality of life programs and services to families in our community in order to help with the significant costs of childhood cancer including medical expenses, rent and mortgage, and travel for treatment.
